

HELPING THE VULNERABLE

COVID-19 EMERGENCY RELIEF DISTRIBUTION, NEW DELHI

MAY & JUNE, 2021

Kit Distribution at Shreeniwaspuri, Delhi

Dry ration distribution at Kanhaiya Nagar, Delhi

- *India has suffered a lot of damage during the second wave of covid-19 which no one can forget. Many people lost their lives without getting enough oxygen and treatment at the hospitals, millions of people lost their jobs during this lockdown, Now they can't find a way to provide food for their families. All the migrants who came to Delhi for work have also suffered during this nationwide lockdown.*
- *In this devastating second wave, the Indian Social Institute, New Delhi, and MAIN (Migrant Assistance & Information Network) started an initiative to help those people who are in desperate need of help. They distributed 1365 dry ration kits and 1060 medical kits to families at 14 locations spread across 7 districts in Delhi. All these locations were affected badly by covid-19. Many families lost the sole income earner of their family and now they don't know what to do and from where to start. This pandemic has affected everyone physically and mentally.*
- *All these locations were carefully analyzed and assessed their situation and the most vulnerable families were given dry ration kits along with medicines.*

**Dry ration distribution at Palam,
Delhi**

- Before the distribution, each family was given a beneficiary coupon so that overcrowding can be avoided. Each Dry ration kit had all essential household items such as Atta, rice, dal, cooking oil, Masalas, tea powder, etc., and medical kits had masks, sanitizer, vitamin-c & paracetamol tablets.
- All the families were given awareness on covid-19 and everyone followed covid-19 protocols and social distancing when they came for collecting the Dry ration kits.
- Each family gave their heartfelt thanks and gratitude for the help given by the Indian Social Institute, New Delhi.
